Mary's Free-Range Organic Turkey

- **No Antibiotics**
- **Vegetarian Diet**
- **Gluten Free**
- **No Preservatives**
- **No Added Hormones**

Mary's Free-Range Organic Turkeys are fed a certified non-GMO organic diet complete with grains & vegetable proteins. They roam naturally on their certified organic ranch in California's Central Valley.

Because of cleaner living quarters, a healthier and happier turkey is produced. There are no animal by-products, hormones, antibiotics or preservatives, in Mary's Organic Free-Range Turkeys.
