

# CHOW MARKET

**“Chef’s Bar”** to be enjoyed *TO-GO*, or on the *UPSTAIRS DECK ...*

- Our aim with this “Chef’s Bar” is to create a new way of feeding our guests from our Chef-driven Market.
- You can enjoy these offerings on our Upstairs Deck, we’ll package anything for you To-Go - or for your home!
- We’re figuring our way through this, we would appreciate any feedback (literally)!
- If you want Beer, Wine, a Wine Cocktail or a drink made to order - please order them from your cashier, or server.
- If you bring food from our downstairs-Market upstairs... to our Upstairs Deck - please don’t feel obligated to leave a tip. However, if you order anything from a server ( to be delivered ) then we would hope that you’d acknowledge their service by leaving them a tip ...
- We want to thank you very kindly for your participation - Welcome to Chow Café, Bakery & Market, Oakland.
